

Series Of Poster Stamps By Artists For Victory Will Help Win The War

It might be best to explain what "Artists for Victory" means and what the organization stands for and we know of no better way to do this than to quote from a speech by Senator Robert F. Wagner of New York, made before the Senate on March 9, 1943.

"At the outbreak of the war, 20 art societies formed an organization, known as Artists for Victory, Inc. for the purpose of doing what they could, in their own field, to assist the country in its

war effort. Artists for Victory has since grown to 28 societies, comprising a membership of over 10,000 artists from all parts of the country. All these artists are imbued with a spirit of patriotism and a sincere and strong desire to use their talents for the winning of the war."

As a result of this organization

War Stamps In Coils Will Be Sold Through Postal Meter Machine

The Multipost Stamp Affixer manufactured by the National Postal Meter Company, Inc. will soon be a war worker in its own right for at the suggestion of that company, the United States Treasury Department on August 1st released 10c and 25c War Savings Stamps in coils of 500 to fit the Multipost. Initial sales of the coiled stamps were limited to the Post Offices of ten large cities designated by the Treasury Department.

Several advantages are apparent in this method of stamp dispensing for the booths where War Stamps are sold in hotel lobbies, theaters and other public places. First and foremost, the Multipost has an automatic counting device which can keep a much more accurate check on the number of stamps sold than when the stamps are in sheets or loose.

Furthermore the affixing of stamps to the customer's book by this method lessens the chance of his losing his stamps, and eliminates the unsanitary and unpleasant business of licking stamps to be placed in the album. Persons who sell War Stamps quickly learn to place them correctly in the proper square and find that Multipost makes their selling job easier and speedier.

Wentz Offers To Sell Or Trade; An Unusual Proposal In Page Adv.

One of the most unusual proposals by any dealer offering choice stamps for sale is to accept payment from you in your duplicates. Such an offer is found in the full page advertisement by George W. Wentz Jr., of San Marcos, Texas. Mr. Wentz has been using the back page of our first issue of each month for some months past and his schedule calls for use of this space for the remainder of the year. Collectors who have good duplicate material should find this advertisement of exceptional interest.

Rockaway Phil. Society To Hold Stamp Exhibit At The Public Library

The opening of the first public stamp exhibition of the Rockaway Philatelic Society will be inaugurated at the Far Rockaway Public Library, Far Rockaway, N. Y. on Tuesday, August 17 and will be continued through August 27 with a complete panorama of the ramifications of the art of philately.

Miss Violet Meyer, chief librarian, commenting on the role stamp collecting has played in the education of youth, says, "There is no better way of inculcating the knowledge of the history and geography of many lands than through the study of those little stickers on our envelopes known as postage stamps."

The display frames, skillfully designed by one of our own members, Jacques Rogers, are housing the following exhibits:

Louis Sarrow—Red Cross and Charity adhesives.

William Kimelman—British Colonies and General Europe.

Ernest Lowenstein—Russian and the extinct Italian Empire Airmails.

Jacques Rogers—Patriotic Meter Slogans, U. S. Booklet panes, and souvenir sheets on cover

Morris Schlissel—Airmails of conquered countries and stamps of Fighting France

Corp. Theodore Kimelman—Naval Cachets

Fred Haplan—Photographic description of V mail on our march to victory

Jerome Baumann, Louis Israel, Harry Groden and Maxwell Bauer—Airmails, mint and used, on and off cover

John Boller, Jack Bernstein, J. H. Becker and William B. Feldstein—U. S. of all sorts

Len Sharrott—U. S. covers

Howard Sloan—Central America

John Bierman—Czechoslovakia foreign

As a reminder of the past there will also be on display the first flight covers cacheted at the Rockaway Airport by Harry Gordon when he made the trip from Arverne to Newark.

"Study Stamps for Sagacity" is the slogan for the show.

POPPENGER ENVELOPES

Samples of the envelopes for both Belgium and Luxemburg first day covers of the new Flag stamps are at hand from Walter T. Poppenger of Akron, Ohio. The Belgian cover shows the Belgian flag in black, orange and red, one of the few that will be printed in three rather than two colors on the new flag stamps. A picture of King Albert also is on the cover.

The Luxemburg cover is also an attractive one and the same general style as is followed on the other covers of this set has been used for these two covers.

Stamps Contributed For War Auction Bring Top Prices

A lot of about twenty different lots of United States singles and blocks that were contributed by Mr. Y. Souren of the Philatelic Research Laboratories of New York, for the benefit of the Duke of Gloucester Red Cross Fund of London, were sold at Auction by Messrs Harmer, Rooke and Company of New York last week and brought prices that were amazing. The stamps were estimated by the donor at about \$300 in value but sold for the amazing sum of \$547.-50. Messrs Harmer Rooke & Co., likewise contributed their services so that the total realization went to the fund. A full page of catalogue illustrations featured the stamps in the sale and all this goes to show that fine material exploited in the proper manner will bring top prices. The Duke of Gloucester Red Cross Fund is one of the most worthy of the British War Charities and stamp collectors have been very liberal in supporting this fund.

We get many letters along the same line and it's your help that will help us to grow bigger and better. Our subscription list has shown a steady increase since January. Give it a boost by introducing the paper to your friends.

Netherlands Is Next In Occupied Nations Series; Two Stamps Each Month Appears To Be The Schedule

Postmaster General Frank C. Walker announced on July 26, that the stamp for Netherlands would be issued first day from Washington, D. C., on August 24th. This seems to make a definite schedule of two of the new stamps each month and at this rate the last of the series of 12 stamps will come in late November. By that time a lot of the collectors will be ready to say, "that is something to be thankful for."

Here we are going to have two stamps in a row that are identical except for the name under the flag. In both the Luxemburg stamp

coming August 10th and this new Netherlands stamp of August 24th, the flag is identical in that it is of three horizontal bars or stripes of equal size, the top being red, the center stripe white and the lower one blue. We are not prepared to say whether the colors are exactly the same in each case but it will be interesting to note this on the stamps.

We do note however from the illustrations that have been supplied that there is a difference in the shape of the two flags that will readily distinguish them. In the Netherlands picture the lower right corner of the flag hangs down in a "teat" while the Luxemburg flag stands out more straight in the "breeze."

Collectors who like novel covers will want to send a cover of the Luxemburg stamp to Luxemburg, Wisconsin for the local cancellation when the stamps are available and likewise the Netherlands stamp can be sent to Nederland, Colorado or to Nederland, Texas. Other covers might be sent to any one of the towns named Holland of which there are such towns in the following states: Arkansas, Georgia, Indiana, Iowa, Kentucky, Michigan, Minnesota, Missouri, Nebraska, New York, Ohio, Oregon, Pennsylvania, Texas and Virginia.

For the benefit of collectors who need instructions for obtaining their first day covers we reprint the instructions as issued by the Postoffice Department.

Stamp collectors desiring first-day cancellations of the stamp for the Netherlands on August 24, 1943, may send not more than 10 addressed envelopes to the Postmaster, Washington 13, D. C., with cash or money-order remittance to cover cost of the

THIRTY MILLION EACH OF THE FLAG STAMPS

While we have seen no announcement by the Postoffice Department as to the quantity that is printed of each of the new stamps for the Overrun Nations series, we have had a letter from a source that we consider rather good in which the correspondent makes the statement that he heard from sources that do know, that the printing for each of the Flag stamps was to be thirty million stamps. We can not vouch for the accuracy of this statement and therefore offer it for what it may be worth.

EASTER CARD FROM AFRICA

Mr. A. Flesch of Brooklyn, N. Y. sends us an Easter card that was evidently put out by some of the troops in Africa. It has a picture of a city gate or arched entrance to one of the Moorish towns and printed across the top is "101st Military Police B N" the date 1943 is at both sides of the picture and below the picture, "Easter Greetings d'Afrique du Nord". A very nice souvenir from our boys in the service.

Convention Off.

Word this morning from President Michels of the P. S. S. that the convention has been cancelled. Quoting "At the request of and in co-operation with the Office of Defense Transportation, the Annual Meeting of the Precancel Stamp Society, Inc. scheduled for August 26-29, 1943 in New York is cancelled. There will be a one day session of the Balloting Committee on August 28th to tabulate the votes of the annual election which is also held at this time. The convention was to have been held in New York City, the New York Precancel Stamp Club being the host.

Coming Back.

According to Wilson Smith writing in the July Optimist the plates of the War Issue have been put back on the presses. One wonders why they were ever taken off. In a mild survey of the small offices in central Ohio I found that all had the 3c Win The War stamp, none had the 2c United Nations, not even Lancaster, and only two had the 1c Four Freedoms. Another thing revealed. Presidential and inquiry showed that this was newly arrived stock and not old holdovers. Plenty of 2c Defense still on hand and plenty of the 1/2c Hales. There must have been a carload of these things on hand in '38 for I know of several offices who have ordered time after time the 1/2c stamp and still get the Hales. It almost leads me to believe that perhaps some of these are still being made.

Dt vs Dc.

Although the bureau catalog illustrates only three degrees of condition yet in the pricing of several of the scarcer old type bureaus they have distinguished between the condition Dt which means "design Touches" and Dc which means "Design Cuts" or perhaps a better explanation would be to say perfs cut into the design. In the case of a Dt stamp it is much to be preferred over a Dc item, yet one cannot fairly call a Dt stamp a "B" copy. Quite some time ago I advised the adding of this extra distinction to the catalog. As yet it has not been practical to do so, although in a way with special prices on the certain items I mentioned above, it has been adhered to.

Notes.

Ed Christs Bulletin in Chronicles a new typeset from Galesburg, Mich. I have not seen it. Noted ad in Optimist that someone has some of them for sale. Collector sponsored I am sure. Also that a Michigan collector has turned up some 1/2c Presidentials imperf between. Precancelled Lansing, Mich.—Have you noted the WIDE lines that are coming on some of the latest Bureau emissions. I do not think this is any change in the plate but rather a production effect. Possibly a different type of paper not responding to the old method of printing and causing more tension. That's just my guess.

Membership Drive

During the month of August we are anxious for each member to contact as many collectors as they know in an attempt to obtain more members. On September 1, we shall start in earnest on the preparation of our membership roster, and it is very desirable to have as many members listed in our roster as possible.

If each member will obtain one new member, we would have a nice-sized organization. If you know a person who is interested in War Covers why not give him a membership to PCEC. The cost is very small—and there is no doubt that you will get your money back in interesting and unusual covers.

If you need additional membership blanks, please write the secretary.

French Warship Cancels

One of the greatest benefits from PCEC membership is the opportunity to partake of some of the services that are offered gratis by club members for their fellow members. This week we refer to an article printed a few weeks ago in this paper wherein Mr. A. W. Bendig, 311 Mt. Royal Blvd., Etna, Pa., told of the cancels on covers from some of the French Warships in American harbors. Mr. Bendig has arranged whereby he can get cancels from one of these ships for PCEC Members only. In sending your cover you must give your PCEC Membership number.

Mr. Bendig will have cover serviced from one of the French Warships being repaired in a U. S. port. Only one cover to a member. Send your cover stamped and addressed ready to drop in the mail.

New Norway Stamp Now Available To Collectors

Issued First Day at Washington, D. C. on Tuesday, July 27th, our First day covers began showing up in the mail on the 28th, more have come on the 29th and others are not yet at hand.

Sheets of the stamps were put on sale at the local postoffice on the 29th and an examination of several of the sheets failed to disclose any minor flaws due to red spots as were found in a number of the Czechoslovakia sheets. Sheets from other sources however may show such spots. These spots however are not always constant, and more especially is this true of lithographed stamps than in other forms of printing.

The flag is of different arrangement than those of the preceding stamps and is thus easily recognizable.

In this stamp we have the stamp with the name "NORWAY" over the stamp in the upper right corner and the 48th stamp in the sheet, the center one of the bottom row has the invert "T" register marks. No register marks will be found on any stamps from the top of the sheets because of printing which was explained in our issue of last week.

NEW 3c CANADA

Wallace Hill of Rossmoyne, Ohio sends us a View Card from Canada which bears a copy of what we presume to be the new color of the current 3c Canadian stamp. The color is a magenta or reddish purple color quite distinct from the red color which is now current on the new 4c stamps.

No Oregon Trail Stamp But Handsome Cachet

"Honoring the Pioneers who
established the American Way of
Life in the Oregon Country" is
the title of an attractive historical
cachet which has been prepared
and sponsored by the Oregon
Stamp Society and the Oregon
Council, American Pioneer Trails
Association, in cooperation with
the Old Oregon Trail Centennial
Commission, according to an an-
nouncement by Walter Meacham,
Executive Secretary of the Cen-
tennial Commission. The cachet
shows an oxteam pulling a covered
wagon over the Old Oregon Trail
in 1843 and was designed by Or-
egon's well-known sculptor,
Avard Fairbanks.

While the chacheted envelopes
carry only the Centennial dates
1843-1943, stamp collectors and
others will be interested in having
these covers mailed from Portland
during the annual meeting of the
American Pioneer Trails Associa-
tion August 19-22.

Collectors can obtain these Trail
cachets priced at a penny each or
ten cents a dozen. Mail orders
should be sent to Arthur K. Rob-
erts, Chairman of the Centennial
Cachet Committee of the Oregon
Stamp Society, 3115 N. E. 38th
Ave., Portland-13, Oregon, and
such orders should include return
postage.

Persons desiring the August 19-
22 Portland cancellation can ob-
tain same through Mr. Roberts,
who will service them for five
cents each. This includes the his-
torical cachet and first-class post-
age.

STAMPS IN WAR CAMPS

We have had frequent evidence
of stamp collector activity in
many of the Army camps scat-
tered throughout the country and
the latest to come to our attention
is a column on stamp collecting
edited by S/Sgt. M. L. Ehrman
of 83rd General Hospital at Camp
White, Oregon. This is in the
Camp newspaper, the "Camp
White Grenade."

Wanted Collections and accumu-
lations of mint and
used stamps, covers,
censored mail and precancels. Especially
interested in used airmails. Spot cash
and good prices offered for your stamps
at all times.

in the form of a highly specialized
collection or just "dumped" into a shoe
box. At the moment we are also inter-
ested in cheap and medium priced used
U. S. postage and revenues in quantities
of 100 or more.

Drop us a line and let us know what
you have to offer. won't you?

MIXTURE SELL-OUT

It looks very much like I will have
to discontinue the mixture business
for the duration, except for a few
kinds I may be able to continue hand-
ling. Due to the difficulty in getting
new supplies and experienced help I
can neither furnish my customers with
many of the things they want nor
give the service they are used to. For
this reason I have decided to use the
month of August for a great big sale
as I still have a pretty good stock of
many things which don't do my cus-
tomers or me any good sitting here.
Then we can concentrate on the single
stamps later on and perhaps get
out the long promised price list of
those.

Therefore, this is a real opportu-
nity to buy your winter needs while I
can still supply. And naturally the
prices, although normally they should
be increased, are GREATLY REDUCED
in order to move the stock quickly be-
fore my temporary young assistants,
Warren and Bob, go back to school. I
expect a rush of orders, probably more
than we can handle promptly, so
please be patient if you don't get the
old return mail service. We will all
do the best we can.

Foreign Govt
Price on this mixture REDUCED from
\$2.50 to \$2.45 per pound. Always was
a good seller. Includes ab. 16 European
countries besides nice Dutch Indies.
Postage extra.

My famous 5 lb. lot of this, which I
am reducing from \$16.50 to \$13.50, has
extra fine variety and many real good
items, but there may be a delay in
shipping this as its preparation is very
slow work. However, you may send a
25 per cent deposit to hold a 5 lb. lot
for you until Fall. Postage extra.

Entire Cards

This is a mixture of whole cards
and forms from a dozen European
countries, as used for parcel post, money
orders, etc. Very interesting "covers"
for dressing up a collection. 1 lb. (ab.
135 cards with ab. 400 stamps) reduced
from \$2.00 to \$1.40. A 5 lb. lot with
better cards and some with real high
denominations only \$7.50. Postage ex-
tra.

Special No. 1

Made up from no less than 20 differ-
ent mixtures from 16 countries. Not
more than 10 per cent from any one
country. 75 per cent Mission Mixture
and 25 per cent Government Mixture.
No doubt the mixture with the best var-
iety I have put out for a long time.
Includes France, Holland, Belgium,
Italy, Swiss, Argentina, Brazil, New
Zealand with Centenaries, just received
Australia with latest issues and many
other countries. Price only \$2.00 per
pound; 2 lbs. \$4.15; 5 lbs. \$10.15; 10
lbs. \$19.50; 25 lbs. \$47.50. Postage ex-
tra.

Special No. 2

For those many customers who like
huge quantity for small price. Contains
only 4 European countries, but in two
or three of them commemoratives are
present. 2 lbs. \$1.25; 5 lbs. \$3.00; 10
lbs. \$5.75; 25 lbs. \$13.75; 100 lbs.
\$53.50. Don't delay ordering this before
one of the big packet makers grabs the
whole supply. Postage extra.

Great Britain

I have sold tons of this mixture, but
people always come back for more.
2 lbs. \$1.00; 5 lbs. \$2.35; 10 lbs. \$4.50;
25 lbs. \$10.75; 100 lbs. \$39.50. Postage
extra.

U. S. Mixture

Always good and already low priced,
but still I am reducing it a bit more
just for this occasion. 5 lbs. \$1.65; 10
lbs. \$3.20; 25 lbs. \$7.75; 50 lbs. \$15.00;
100 lbs. \$29.50. Postage extra.

Censored Covers

Small cover with cpl. Free Norway
set (6), cancel'd "Norwegian Army Field
Post Office" and British Censor mark-
ing. \$1.00.

Sorry we cannot furnish any "Small
lots" mixtures #53-91 while this sale
is on.

If you wish more detailed information
about the above special offers and others
send for circular describing them.

WE HAVE A RIGHT TO KNOW

Collectors all over the country want to know how many copies of each of the new Flag Stamps for the Overrun Nations series are being printed. Collectors have a right to have this question answered. Collectors who spend their money for Philatelic Publications should vigorously protest to the publishers of these papers that they take the lead for their readers and insist on a reasonable release of facts and information by the Postoffice Department concerning these and other new stamps when issued.

Must we believe that publishers live in fear of the consequences of insisting on complete details and information on these stamps. We alone can not hope to accomplish what might be accomplished by the combined demand of all publishers.

Certainly there is no war secret or war information of value to the enemy involved in this matter. In a way it is a very trivial matter, yet a matter of interest and importance to all collectors.

Through our vigorous protests thus far we have been given a figure by a person who thinks the source of information is reliable and this figure is set at Thirty Million stamps. We can not state that the figure is correct, but until we have other figures from proper sources we shall be content to believe that the figure is at least somewhere near the right one. Like any good newspaper, our source of information will not be revealed, but we can say that on certain occasions in the past, the source has enabled us to give first information on some subjects of interest.

OUR SUMMER VACATION

Time was when we would envy those people whom we read about as vacationing at Atlantic City or along the seashore, but having visited there some years ago as well as at many other points where vacationists are apt to gather we have come to the conclusion since locating in Sidney, that we are the people that should be envied by those who are so actively and eagerly searching for a vacation spot.

Life for us in these hot days has been more or less a vacation period day after day. It is true that we do our daily work but as for rest, with the long evenings we have almost as many daylight hours for rest and relaxation and what a place for that is our front porch. No crowding, for the porch is a big one, fully sixty feet across the front of the big house, with an ell of 30 feet turning back on each side, the house is atop a hill where the cool breezes blow if there are any in this part of the country, we put on our old clothes and go out and relax, the house is opposite two old homes here, each of which occupy a half city block, the trees are as thick as in a woods, squirrels are in their branches, birds of all kinds fill the trees and bushes and this noon as I came out of the house a rabbit bounded away from the side of the front steps. Talk about hunting a place for a vacation, well brother I have found it, who would want more than all that for a nice quiet, peaceful rest.

For a change we can take dinner at the Country Club any day where they serve chicken in the rough. That is French Fried Chicken served with French Fried potatoes, all served in a little basket with a paper napkin in the bottom, the basket heaped with potatoes and chicken. No holds are barred and those who love a good chicken dinner know what that means. A similar dinner is available any day at Minster, a near by small town that looks as though it might have been picked up in Holland and set down over here. Everything as clean as a pin, a characteristic of the brand of sturdy Dutch who live there.

Good steak dinners are also found without trouble altho our butcher seems always to be out of beef.

For relaxation I spend a few hours at a local club where a sociable game can usually be found and among other things have been introduced into the mysteries of "Buck Euchre". That is a game that would go well at the annual stamp parties that have heretofore depended mostly on "stud," Michigan and such other old time favorites.

Two small lakes are within a few miles of Sidney and if one wants to fish, there are fish to catch. With all this who wants to take a vacation—Besides where would we get the gas to go with anyhow?

Adolph Klingenstein Of Rialto Stamp Co. Undergoes Operation

Word is at hand from Gustav Klingenstein, that Mr. Adolph Klingenstein of the Rialto Stamp Company of Lakewood, N. J. underwent a rather serious operation at the hospital on Sunday, July 25th. His condition is very favorable and it is hoped that he will be back at his business by the time this appears in print. Customers who have noted a delay in their orders in the past two weeks will please be patient as Mr. Klingenstein hopes to personally take care of the many want lists that have come during his absence.

labels are lithographed in colors and make about the most striking group of labels that have yet appeared for war propaganda purposes.

The National Poster Stamp Society has placed its seal of approval on these handsome labels and it is anticipated that the sale will run into millions of the labels for their use is urged on business and commercial firms. It is suggested that business firms buy these in quantity and use them on all their letters and on pay envelopes and on papers to their employees.

For quantity lots the cost is quite moderate since when bought in quantity, 20 sheets making 1000 labels are available at only \$3.00; 100 sheets, 50,000 labels at only \$14.25; larger quantities at still lower prices.

Because of the worthiness of this project, Linn's Weekly Stamp News has volunteered to assist in the sale and distribution of these Poster Stamps and is offering them in this issue of the News.

The prices which are quoted for single sheets and for quantity are the same as quoted by the Artists for Victory, from New York City and we anticipate that our readers will enter the spirit of this distribution of these labels and order many thousands of the labels for their own use as well as to distribute on their mail and through their friends.

NEW GIBBON'S PRICE LIST

Changes in price on U. S.
stamps are coming so fast that
dealers are hard pressed to keep
their printed price lists up with
the rapid advances. The fourth
edition of the well known Stanley
Gibbons Priced List of United
States Stamps has just appeared.
Four editions in a bare six months
period is surely indicative of the
trend of the market. Copies can
be had from Stanley Gibbons, Inc.
38 Park Row, New York.

Sale Of Green Stamps Will Be Continued This Fall Through N. Y. Firms

The opening of the fall season is
creeping nearer and nearer and
stamp dealers, particularly those in
the auction field, are well under
way with their plans. Undoubtedly
the most graphic demonstration of
this activity was the signing of
contracts yesterday by the slightly
revamped group of seven firms
which will handle material from
the Col. E. H. R. Green Estate.

According to Walter S. Scott,
who is philatelic advisor to the
estate and actively interested
in the selling of the material as
licensed auctioneer, all of the sales
this fall will be held in New York,
starting probably in October.

Edson J. Fifield has been added
to the original list of firms, taking
the place of Daniel Kelleher of
Boston. The Kelleher sale last fall
was the only one outside this city.
Others now charged with the dis-
persal of another portion of the
Green accumulations will be Hugh
C. Barr, Inc., J. C. Morgenthau &
Co., Laurence & Stryker, Harmer
Rooke & Co., Percy G. Doane and
Irwin Heiman.

There will be a wonderful range
of European material, including
prize-winning collections of Bel-
gium, Denmark, Russia, France,
Spain and Switzerland, as well as
very fine British Colonials, United
States and United States Revenues.
Dates for the various sales will be
announced as quickly as possible.

Outstanding Collection Wanted

During the next 90 days I would like to spend \$25,000.00 for
additional stock. In particular I want:

1. A splendid United States collection. I will buy col-
lections worth \$100 or \$500 or \$1,000, but I particularly want
one for \$5,000 or more.

2. A large general collection from \$1,000 on up but I
will be glad to get a dozen smaller ones.

3. A really nice collection of Canada and Newfoundland.
Here again I will be glad to take the smaller ones as well.

4. A really big collection of British Colonies, Or Air
Mails or Europe.

5. A going business, stock, help and good will. Or any
dealer's stock or accumulation.

Ready Cash available. Elsie is only a small town, but we pay the price
for collections. I take pride in the fact that we can pay and we do
pay, without fuss, humbug or delay, prices that will compete with any
dealer. This is a very favorable time to sell and a glance at my stock
tells me that I need to buy. Write me first, describing what you have
for sale. If I cannot use it to good advantage, I will try to recommend
a dealer who can. Valuable properties can be handled thru my bank,
draft attached or C O D. On very valuable properties I will come
personally to buy and meet you in your home or office. Will be very
pleased to hear from you.

NEW SPECIAL OFFERS

The stamp collector who buys this summer is indeed wise—prices are more favorable now than they will be for years to come. Not just our stamps—but every dealer has stamps priced much lower than they will be this fall. Take our Foreign Mixture, for example. For several years we have been hunting a source of supply for a really desirable mixture—one that would be an outstanding bargain even for a dealer—we have found it at last. But, unfortunately, the source is not inexhaustible, so while we will be able to handle a large number of orders, we know that the bulk will be bought up quite rapidly—it is a real pleasure to offer such a fine lot. It is going to bring us many new friends and bring our old customers even closer. All orders will be filled in rotation.

Our Exchange Offer is more or less an experiment—but everyone is guaranteed complete satisfaction.
The Precancel lot speaks for itself.
The Special Stock of U. S. consisting of unusual items is worthy of your attention and careful consideration.

FOREIGN MIXTURE

For years collectors have been requesting us to offer a foreign mixture. At last, we have a mixture that will please everyone. Each lot contains at least 1,000 stamps—guaranteed to contain at least 600 different stamps; all of the better grade and many, many, large size pictorials, bi-colors, commemoratives, airmails, both used and unused. Also contains "subject" stamps such as bridges, animals, religious issues, famous men, buildings, monuments, etc.

There is not a stamp that would not cost 1c and some of them would retail for as much as 25c. This lot has a catalog price of \$35.00 or more.

This lot is especially suitable for the collector who exchanges or wants a bargain. Dealers can sort and mount this material and sell it for \$15.00 to \$25.00.

Remember, desirable stamps at less than 10% catalog are not often seen these days. We have a large stock available—but we know it is not going to last.

Your satisfaction is positively guaranteed—these lots can be returned for a full cash refund.

Entire Lot Of 1,000
Better Grade Stamps

PRECANCELS!

We have never handled precancels and we don't know a hill of beans about them. So I guess we shouldn't be selling them. We have recently purchased a stock of precancels; the only thing we know to do is to offer them as packets—so here's what we have worked up:

- A packet containing a minimum of 250 U. S. Precancels as follows:
- 1 complete set Bicentennial precancels, or 14 different Bicentennial precancels, mixed denominations.
 - 4 different Special Delivery precancels; 4 different Scott's numbers; including 10c Bicycle and 15c flat plate.
 - 3 different 1c and 3c Chicago Worlds Fair precancels.
 - 2 different imperforate precancels (1917 1c and 1922 1c schermacks).
 - 6 Different local coil precancels; all diff., Scott's numbers, 1917-1922 issues, 25 different Black Hardings.
 - 1 special lot of Old Type bureaus cataloging \$1 or more (not more than 8 different).
 - 8 different Defense Bureaus and Locals.

We frankly don't know what they are worth, but we feel that \$1.69 will probably be satisfactory. Maybe they aren't worth a cent—but we do know that we will fully guarantee your satisfaction or money refunded without question—(we don't even know enough about precancels to question your judgment.)

Price Only **\$1.69**

Satisfaction positively guaranteed

Please note that we do not have any other precancels—this packet is ALL.

BUY, SELL, EXCHANGE

Below you will see our offers both for buying and selling. No red tape—no guess work. Send your check and we will send the stamps or send your stamps and we send our check by return airmail! Or send—part cash and balance in stamps. This offer is genuine—we don't expect superb material. We expect good clean re-saleable material—absolutely no damaged wanted—we in turn only sell good clean material. (Superb stamps will bring more and likewise we sell superb stamps for more.) Send any amount—the larger the better. Order any amount. These offers apply only to the items listed below.
